ORGANIZATION COMMITTEE

Chief Patrons

Dr. Nalla G Palaniswami
Chairman, KMCH
Dr. Thavamani D. Palaniswami
Secretary, Dr. N.G.P. IT

Patrons

Dr. O. T. Buvaneswaran
CEO, KMCRET
Dr. K. Porkumaran
Principal, Dr. N.G.P. IT

Convener

Dr. S. Jaganathan
HoD-EEE

Organizing Secretaries

Dr. V. Ranganayaki, Asso. Prof-EEE
Mr. E. Kannapiran, Asst. Prof-EEE

Vision

- To produce highly competent electrical and electronics engineers to meet the technological needs of the society.

Mission

- Imparting innovative teaching and learning methodologies
- Nurturing faculty and students to engage in research and development activities through industry alliances and partnership
- Providing conducive environment for skill enrichment through well-equipped laboratories and academic support system
- Inculcating ethical values and leadership qualities among the students for societal benefits

Electrical and Electronics Engineering

Dr. N.G.P. INSTITUTE OF TECHNOLOGY
(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
Accredited by NAAC & NBA (BME, CSE, ECE, EEE & Mechanical)
Dr. N.G.P. – Kalapatti Road, Coimbatore – 641 048,
Tamil Nadu, India.
Phone: 0422 – 2369102 Fax: 0422 – 2369106

ABOUT THE COLLEGE

Dr. N.G.P Institute of Technology is another milestone in the growth of the Kovai Medical Center Research and Educational Trust, Coimbatore. The institution is approved by the All India Council for Technical Education (AICTE) New Delhi, affiliated to Anna University, Chennai, accredited by NAAC and Recognized by UGC. The Institute is well equipped with advanced infrastructure facilities and state of art laboratories to meet the requirement prescribed by the AICTE and Anna University. Dr. N.G.P. IT offers higher education in Engineering, Technology and Management as Undergraduate, Postgraduate and Research Programmes.

Dr. N. G. P. IT produces graduates to succeed in a changing world through innovative teaching and experiential learning, fostering relevant research leading to productive and responsible citizenship. It aims to develop and implement a comprehensive Human Resources plan, to include recruitment, professional development, retention and succession plans that attract qualified staff and faculty and ensure that they remain contemporary in their respective roles and disciplines.

ABOUT THE DEPARTMENT

The Electrical & Electronics Engineering Department was one of the first few disciplines that was started at the time of inception of the Institution of the year 2007. It strives to produce Electrical Engineering who can participate in technical advancement, enable social upliftment of the country and to meet growing global challenges. At present the department is equipped with the qualified and experienced faculty members having a broad spectrum of specialization. The department consists of eleven laboratories and one center for excellence with state of art facilities. The department has collaboration with reputed organizations like National Instruments, Siemens and other corporates to cater the needs of student community. The department offers an undergraduate course BE Electrical & Electronics Engineering and a PG Programme ME Power Electronics and Drives. The major strength of the department is the well placed alumni's.

OBJECTIVE THE SEMINAR

We have experienced a sea change in the global economy during the last two decades as a result of several policy measures and structural changes. The industrial and commercial organizations have also been changed in the structure and style of management. The higher education system and management education has been expanded tremendously and still, there is a vast scope for expansion. In this context, there is a need for strengthening industry and institute interface. The outcome is expected to have healthy and wealthy global environment. Industry Institute Interaction is highly required for economic development of a nation. The development of several institutions and industries is evident for its model. Several projects have been completed successfully.

The outcome of the seminar is to be expected for identifying the gaps, strengthening relationship and national development.

COURSE CONTENT:

This seminar is designed to cover the following themes:

- Building bridge between Academia and Industry
- Providing Incubation Services for startups
- Industry Institute Interaction step towards Empowering Skills of Engineering Students
- Business Ethics and Social Corporate Responsibility
- Challenges and Opportunities in Automation Sector
- Challenges and Opportunities in Renewable Energy Sector

REGISTRATION FEE

UG/PG Students : Rs.300/-
Academicians / Research Scholars: Rs.500/-
Industry Persons : Rs.750/-

INTENDED AUDIENCE

This seminar is useful to several individuals and associations. The following can attend:

- Teaching Faculty, Government Officials
- Researchers and Students
- NGOs and Corporate Professionals
- Executives and Entrepreneurs
